

## Team "Tomo" Agent Discription

### 2nd International Aiwolf Contest

First, the agent created for this competition was created using a generator.

(<https://aiwolf-generator.herokuapp.com/>)

#### Position-specific strategies(5 people)

Villager

Voting statements will be made to those who you think are werewolf.

Voting goes to werewolves.

Seer

Divine a suspicious person.

If the result of the fortune telling is a werewolf, he or she will say that the person is a werewolf. If the result is not a werewolf, say that he is a werewolf to others.

POSSESSED

Always CO the Seer.

To those who think they're not werewolves, they say they're not werewolves.

WEREWOLF

Voting statements and votes against people who are suspicious.

#### Position-specific strategies(15 people)
